Troops and Packs

BICYCLE COLLECTION

In conjunction with
Worcester
Earn-A-Bike

April 8, 2006 10 AM to 2 PM at the MLK Center
237 Chandler Street, Worcester

Worcester Earn-A-Bike will be accepting bikes collected by Troops and Packs for repair and eventual delivery to people overseas in developing countries and for use in the Earn-A-Bike program.

As a community service project you will be helping less fortunate people around the world by collecting and bringing unused bikes to the MLK loading dock on Dewey Street at the MLK Center.

Bikes should be rideable and require only minor tuning and repairs.
