## WEBELOS WOODS

**Where:** Treasure Valley Scout Reservation

**When:** October 6-8 , 2006

**Webelos Woods** is a joint Boy Scout/Webelos event designed to give first and second year Webelos Scouts and their parents a preview of the Boy Scouting experience. The program reinforces Boy Scouting values, procedures, methods and skills. It is an introduction to Boy Scouts being a "boy led" program versus the "adult led" program used in Cub Scouts. Also, there is the thrill of camping in the outdoors at a Boy Scout camp, which will foster a desire to continue Scouting. This is an excellent time for each troop to show the Webelos in its area what the troop does and to recruit new scouts for the troop. Likewise, this is an excellent time for Webelos to visit with a variety of troops from your area, and learn which troop may be the best to join.

**Webelos:** Come join us for a weekend of games, hikes and activities geared toward introducing Webelos Scouts to what awaits them as Boy Scouts. The events are sponsored by local Boy Scout Troops just waiting to show your Webelos a great time! Events will begin Friday evening this year.

**We Need Your Troop:** Come join us for one of the biggest camping events for Webelos Scouts and Boy Scouts put on by the Mohegan Council. Each participating Troop will be staging an event on Saturday, which will be visited by the Webelos Scouts throughout the day. Build a monkey bridge, create a model campsite, teach Dutch oven or foil cooking, lead team building games, develop a compass course, build a pioneering project or pick any other event your Troop would like to do. We only ask that the event be focused on basic Scouting skills, fun and hands-on for the Webelos.

The Staff and Program for this event are in the process of being put together. Save October 6-8<sup>th</sup> on your calendars! More details coming and will be available at the Council **after July 21**.
